

HARRIS COUNTY VACCINE SCHOLARSHIP PROGRAM

Through a raffle, Harris County will award one \$5,000 college scholarship each week. There will be one drawing each week for at least ten consecutive weeks so check the schedule for key dates.

SCHOLARSHIP ELIGIBILITY:

- Must be under the age of 18
- Must live in Harris County
- Must have received at least the 1st dose of the vaccine from a HCPH vaccination site at any point before the raffle drawing

How To Get a Vaccine Through Harris County Public Health:

HCPH provides vaccines for residents under 18 years of age at NRG Park noon-7 p.m. Tuesday-Sunday. Vaccines are free of charge and no insurance/proof of citizenship is needed. Registration is not required.

However, if you wish to pre-register, need help with transportation or have additional questions, visit [ReadyHarris.org](https://www.readyharris.org) or call **832-927-8787**.

HCPH is also partnering with individual schools to provide the vaccine to students with parental consent. Call your school's main office to see if they are participating and how to sign your child up.

For more information about the Harris County Vaccine Scholarship program, please visit hcphtx.org/vaccinescholarship.
